## Bourgogne Chardonnay *Cistel*

---

**Varietal:** Chardonnay / **Appellation:** Bourgogne / **Blanc**  
**Level:** Régionale

### TASTING NOTES AND PAIRINGS

This greenish-gold wine reveals a fresh citrus nose. The palate is well-balanced between roundness and freshness, with notes of white flowers. Lively and aromatic, it will pair wonderfully with a dinner aperitif, petits fours, tapas, or even a mushroom and Parmesan risotto. Serve between 10 and 12°C.

### OUR VINEYARD

This 100% Chardonnay Bourgogne comes from grapes harvested in southern Burgundy.
