### TASTING NOTES AND PAIRINGS

With its deep ruby color, this wine offers a frank nose of ripe fruit and licorice. Supple and round, it reveals a beautiful elegance on the palate, with slightly woody notes. Served between 14 and 16 °C, it will perfectly accompany honey-roasted pork, grilled lamb with thyme, or a mushroom and soft cheese tart.

### OUR VINEYARD

Facing east/southeast, planted in 1980, this plot of Pinot Noir lies on a soil of silt with pebbles from the Côte, mid-slope, at an altitude of 250-260 meters above sea level.

### VINIFICATION AND AGEING

Hand-harvested. The grapes are rigorously sorted upon arrival at the winery. Partial or complete destemming, depending on the vintage.

### AWARDS

Burghound: 89-91/100 for 2019 vintage.
